# ABOUT US

## ***Our Mission:***

***At Goodwill Humanity, we are on a mission to bridge the gap between those who have excess items to give away and those who are in need.***

***We believe that everyone deserves access to essential items, and through our donation items app, we aim to make giving and receiving a seamless and rewarding experience for all.***

## ***Who We Are:***

***We are a team of passionate individuals who are committed to creating a positive impact in the world.***

***Our app was born out of a desire to leverage technology for good and address the pressing issue of resource inequality. With a shared vision of promoting a culture of giving, our diverse team brings together a wealth of expertise in technology, design, and social impact to make Goodwill Humanity the ultimate platform for making a difference.***

## ***How it Works:***

***Using the Goodwill Humanity app is simple and user-friendly. If you have items that you no longer need, you can easily list them on our platform with a description and a photo.***

***Once listed, those in need can browse through the available items and request the ones they require. It's like an online marketplace for goodwill, where the currency is compassion and the rewards are immeasurable.***
